Welcome Screen

Hey Boomers!
We're into double digits!

This is the tenth power-packed issue of STC. Seems only moments ago I was inputting my very first Welcome Screen and the humes around here weren't always complaining about being overworked and wanting holidays (wimps!).

We couldn't have made it without you, Boomers. Your letters, your drawings, your Data Strips and the fact that STC disappears off the shelves faster than Sonic himself, proves that you like what we're doing.

By way of a small celebration we're unleashing our weirdest new series yet on you. Believe me, you ain't seen nothing like **Decap Attack!** A great platform game on the Mega Drive, it is now destined to become the strangest addition to STC's line-up yet. Boomers of a nervous disposition (and those with any good taste) are advised to close their eyes while reading the last mega story in this issue.

Megadroid

Gear, Fab, Groovy, Chaps!

More celebs tackle their greatest challenge yet - the Sega Game Gear!

"Eve's that Harry Enfield. What a character! You don't want to play it like that, 'arry, you want to play it like this!

Bruce Dickinson, soon to be ex-Iron Maiden, gets ready for his new career. "Game Gear, anybody wanna buy a Game Gear? A tenner to you, lov."

Joe Strummer and Paul Simeon of The Clash (who?) demonstrate the newest Game Gear playing technique: two-player action with optional foil to hit the screen in frustration. Bound to catch on, guys.

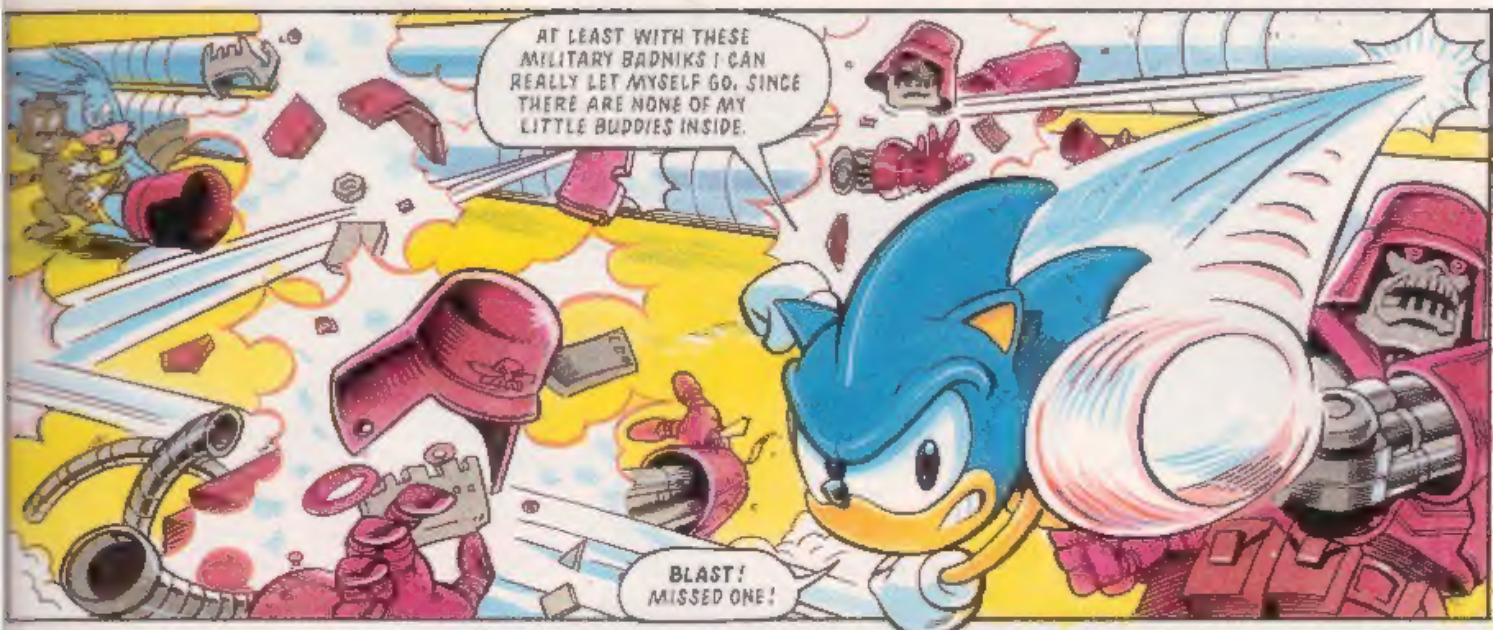
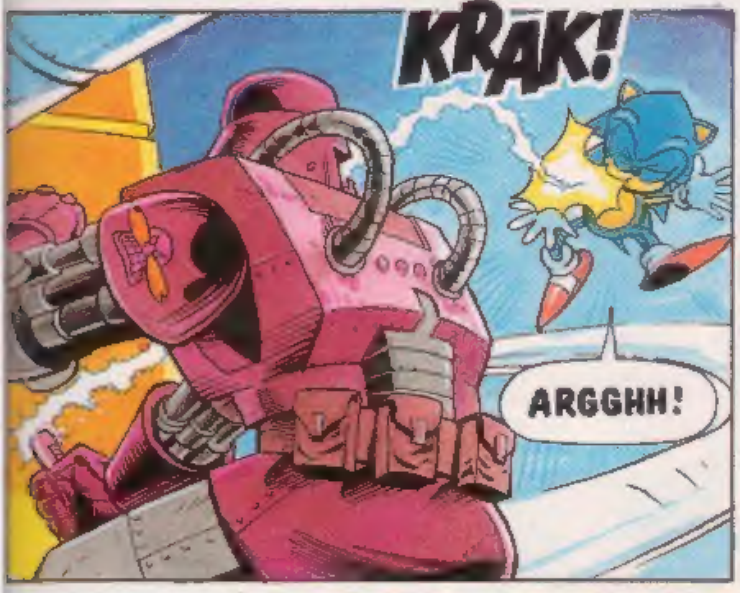
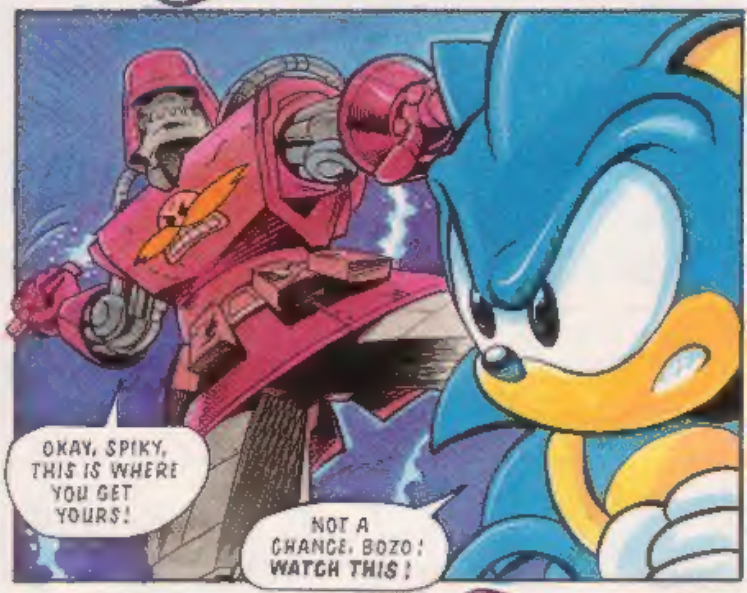
GET UP, WORKER! YOUR SHIFT IS NOT OVER YET!
I...I JUST CAN'T DO ANY MORE...
GET AWAY FROM HIM, YOU TIN-PLATED JERK!
IT'S SONIC!
YOU'D BETTER BELIEVE IT, BUDDY!



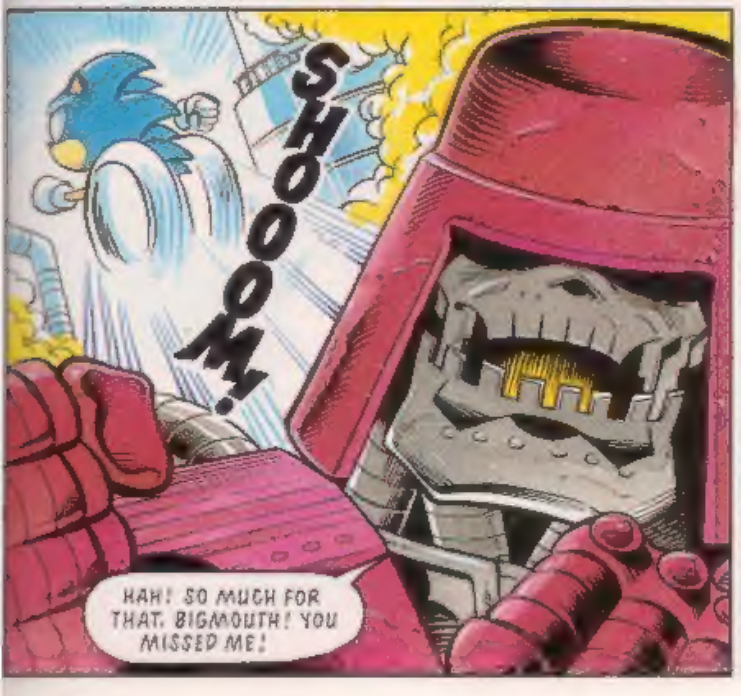
AT LEAST WITH THESE MILITARY BADNIKS I CAN REALLY LET MYSELF GO, SINCE THERE ARE NONE OF MY LITTLE BUDDIES INSIDE.
BLAST! MISSED ONE!



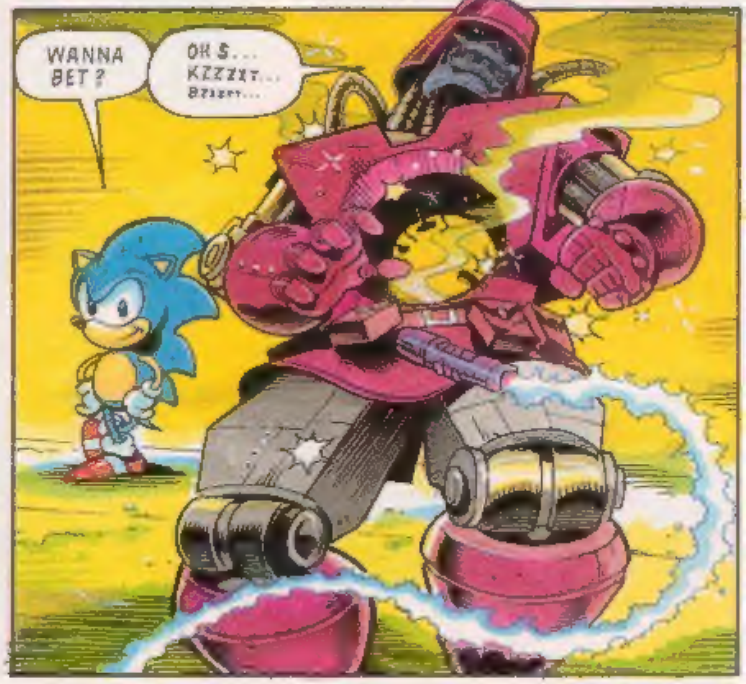
KRAK!
ARGGHH!



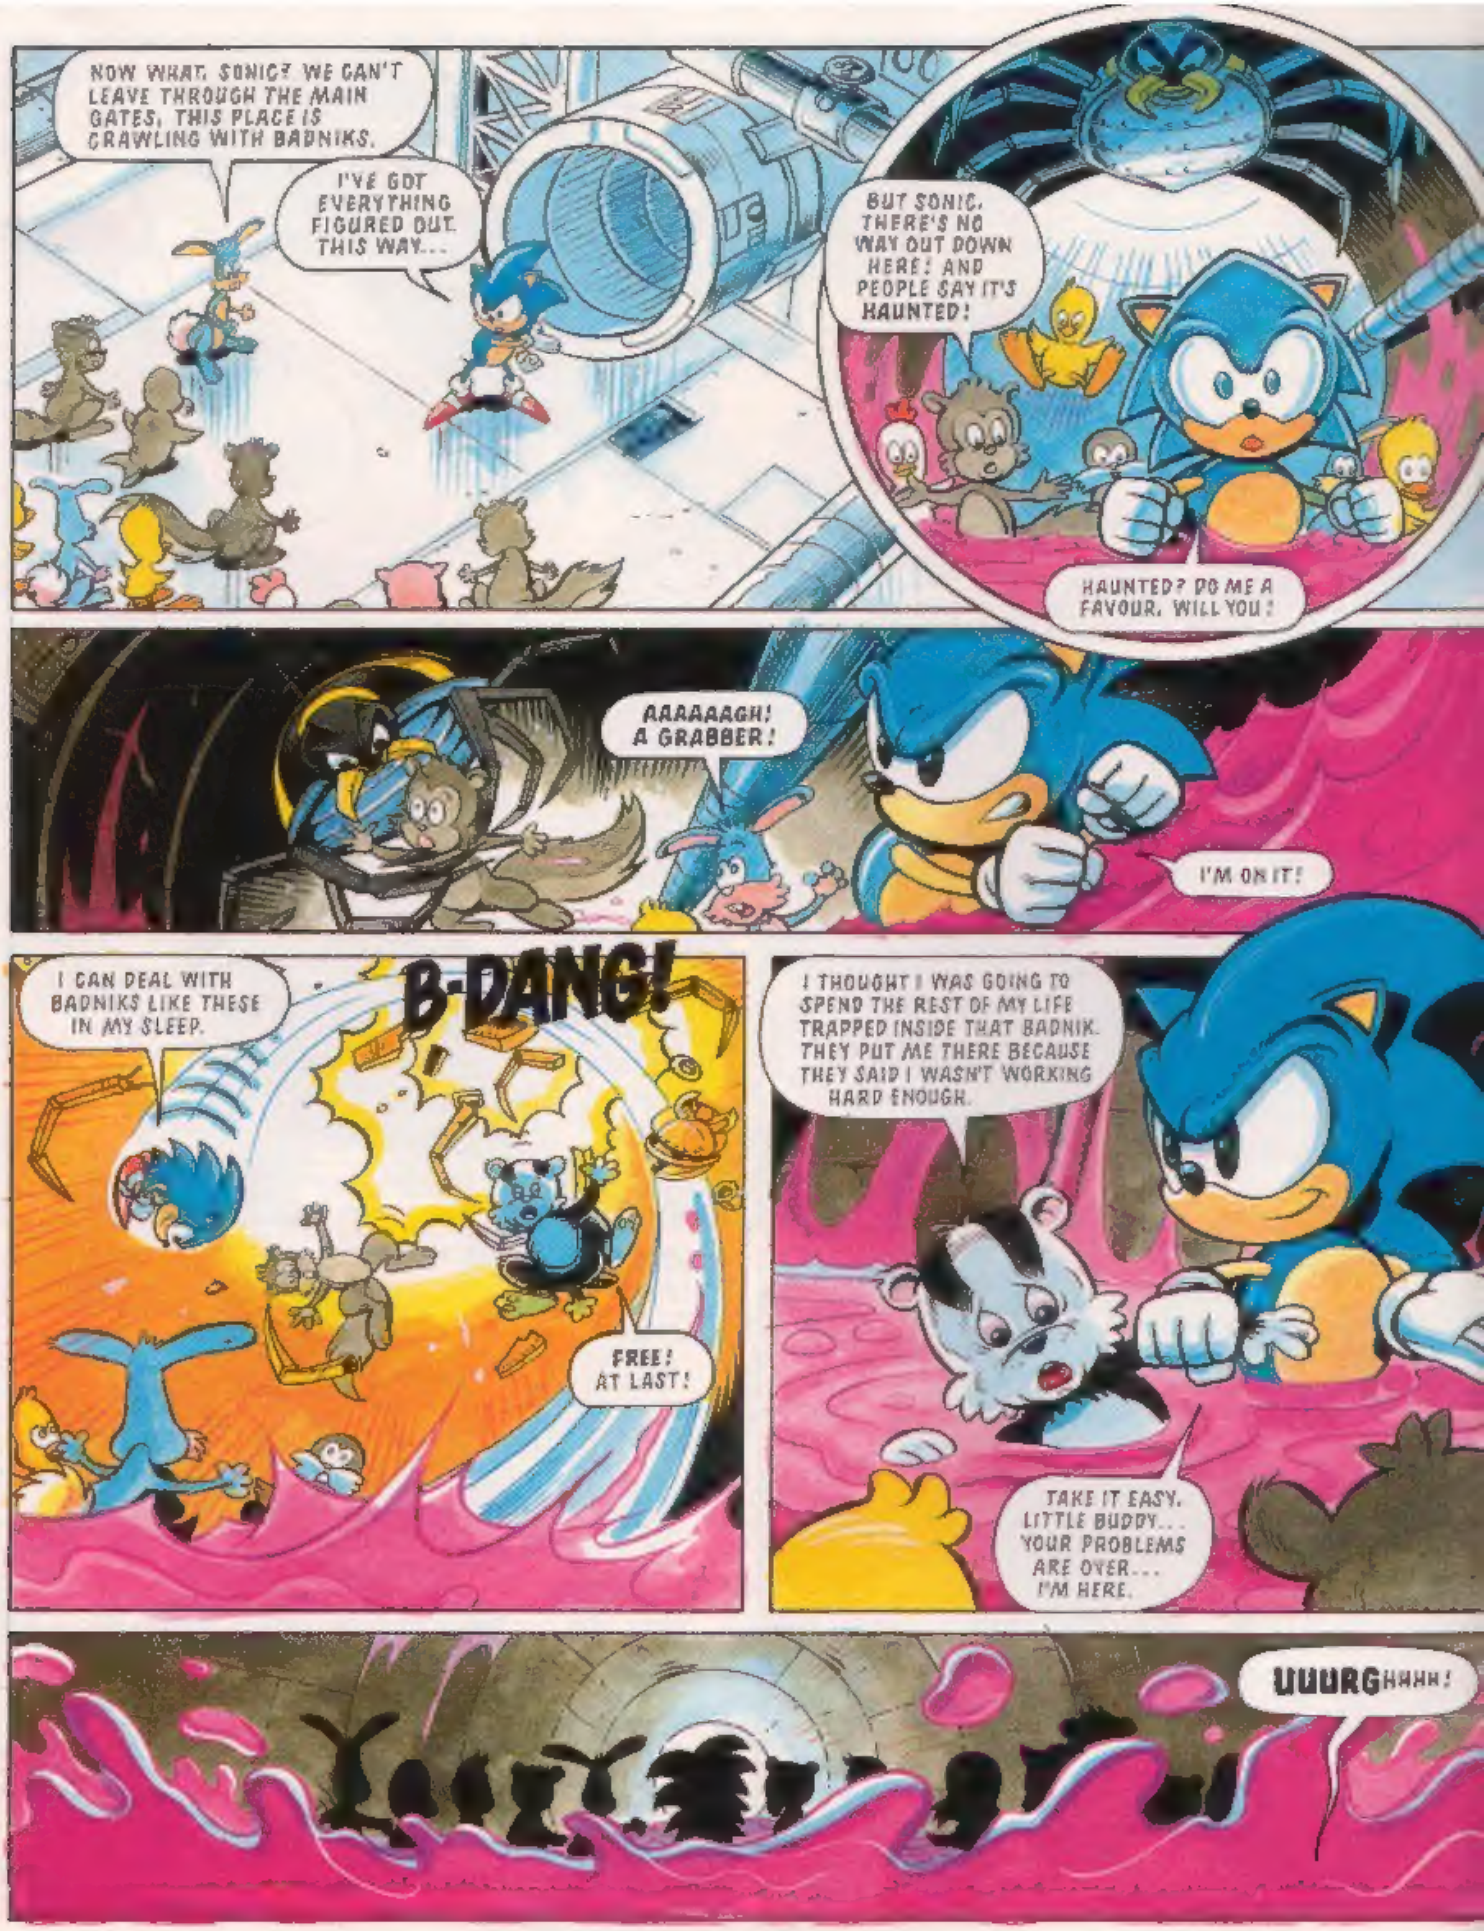
OKAY, SPIKY, THIS IS WHERE YOU GET YOURS!
NOT A CHANCE, BOZO! WATCH THIS!



SHOOOM!
HAH! SO MUCH FOR THAT, BIGMOUTH! YOU MISSED ME!



WANNA BET?
OH S... KZZZZT... BZZZZT...



NOW WHAT, SONIC? WE CAN'T LEAVE THROUGH THE MAIN GATES, THIS PLACE IS CRAWLING WITH BADNIKS.
I'VE GOT EVERYTHING FIGURED OUT. THIS WAY...
BUT SONIC, THERE'S NO WAY OUT DOWN HERE! AND PEOPLE SAY IT'S HAUNTED!
HAUNTED? DO ME A FAVOUR, WILL YOU!
AAAAAAGH! A GRABBER!
I'M ON IT!
I CAN DEAL WITH BADNIKS LIKE THESE IN MY SLEEP.
B-DANG!
FREE! AT LAST!
I THOUGHT I WAS GOING TO SPEND THE REST OF MY LIFE TRAPPED INSIDE THAT BADNIK. THEY PUT ME THERE BECAUSE THEY SAID I WASN'T WORKING HARD ENOUGH.
TAKE IT EASY, LITTLE BUDDY... YOUR PROBLEMS ARE OVER... I'M HERE.
UUURGHHHH!

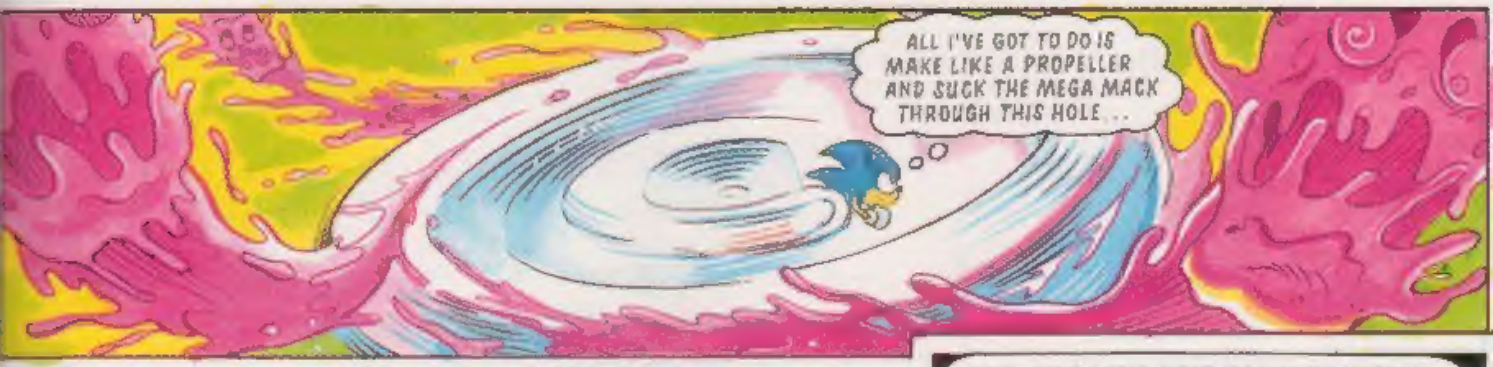
HURRY IT UP, GUYS WE DON'T HAVE MUCH TIME!
SONIC, LOOK OUT! BEHIND YOU!
NOW WHAT?
SHOOOOSH!
WHAT THE HECK ARE YOU?
ONCE I WAS A SCIENTIST WORKING WITH DR ROBOTNIK ON A CHEMICAL CALLED MEGA MACK. A CHEMICAL DESIGNED SPECIFICALLY TO DESTROY YOU!
THAT WAS BEFORE THE ACCIDENT...
A COMPARTMENT IN WHICH I WAS WORKING WAS ACCIDENTALLY FLOODED WITH MEGA MACK.
INSTEAD OF BEING KILLED I SOMEHOW BECAME PART OF THE CHEMICAL. I WAS REBORN IN THIS NEW AND DEADLY FORM... I BECAME THE MALIGNANT MEGATOX!
SO WHAT'S YOUR DEADLY POWER? APART FROM BEING ABLE TO BORE YOUR VICTIM TO DEATH, THAT IS.
YOU WANT TO SEE MY POWER?

TRY THIS FOR SIZE!
AAAA... GLUB!
THE CHEMICAL I AM COMPOSED OF WAS DESIGNED TO KILL YOU, SONIC. LET'S SEE WHAT HAPPENS WHEN YOU TRY TO BREATHE IT!
I GOTTA DO SOMETHING... AND FAST!
AAAGHH! YOU'RE PULLING ME APART!
SHZZZTTTCH
WELL, I GUESS THAT TAKES CARE OF THAT BIG DRIP.
SOMETIMES I'M SO COOL I EVEN IMPRESS MYSELF.
YOU CAN'T DESTROY ME, SONIC! I AM ONE WITH THE MEGA MACK. I AM INDESTRUCTIBLE!
INSUFFERABLE, MORE LIKE!
OKAY, SLIMY. YOU ASKED FOR IT!

WHATEVER YOU'RE UP TO, YOU'RE WASTING YOUR TIME SONIC!
EVEN IF I CAN'T DROWN YOU, BEING IN CONTACT WITH ME WILL KILL YOU BY **POISONING**!

YOU'RE GOING TO LIKE THIS, MEGATOX! IN FACT, YOU MIGHT SAY IT'S GOING TO **BLOW YOU AWAY**!

NOW LET'S HOPE I CAN GET THIS RIGHT. THIS CHEMICAL IS STARTING TO GET TO ME... I FEEL A LITTLE DIZZY.



ALL I'VE GOT TO DO IS MAKE LIKE A PROPELLER AND SUCK THE MEGA MACK THROUGH THIS HOLE...

"TAKING MEGATOX WITH IT!"

OKAY, GUYS, LET'S **MOVE** IT! I DON'T KNOW IF MEGATOX CAN PULL HIMSELF TOGETHER AFTER I'VE SPRAYED HIM OVER THE COUNTRYSIDE, BUT I'M NOT WAITING AROUND TO FIND OUT.
SONIC, YOU ARE TOTALLY AMAZING.
YOU WON'T GET ANY ARGUMENTS FROM ME, GOOD BUDDY!

STREETFIGHTER 2

game type: FIGHTING
1-2 PLAYERS
MD

Take a deep breath and get down to your local shop in October for this dynamite conversion from the Capcom arcade game.

It is the biggest Sega Megadrive game ever produced at 24 Megabites and Capcom revised it from 16 MB to 24MB to ensure all the characters, music and samples were included from the original.

It's even been extended, with amazing options and Hyper mode.The options available are difficulty level, time limit, pad config, music test and sound effects test.

The Hyper mode really takes the game to another play level. It allows you to increase the speed of play from normal to slow, to an absolute blur, where if you blink you can be taken out! It really is THAT fast!!

Other options under Hyper are VS Battle, where you can go one on one, and Group Battle, where you can choose from up to six people to fight against in either Match Play or elimination modes.

The music and sound effects are straight out of the arcade machine and they really make you wince when you get hit and bounce around to the rhythm!

Overall, Streetfighter 2 has been a long time coming for the Megadrive, but it has been for all the right reasons with Capcom aiming to, and actually delivering, a version that is far, far superior to any other home console version.

Phew what a month! Aladdin is an arcade game based around the hit film.Sega actually joined forces with Virgin and Walt Disney to create a new style of game with the graphics actually being drawn by Disney animators! As you can see from the screenshots, Aladdin actually IS Aladdin from the film. Of course, what you cannot see is the incredibly smooth animation and fast gameplay.

Aladdin has to find his way through various scenes from the film.He can run,leap,slash and throw apples he picks up at the hordes attacking him.There are plenty of humerous touches and lots of sampled speech thrown in at just the right moments.There is not a lot of strategy in the game but the fast addictive,gameplay more than makes up for the real lack of depth.

Aladdin really does set new standards for home video games.Graphics of this quality have NEVER been seen before on a home console and the gameplay, while simplistic, is very fluid and challenging. Put them together and you have a must-have game that you would be very silly to miss.

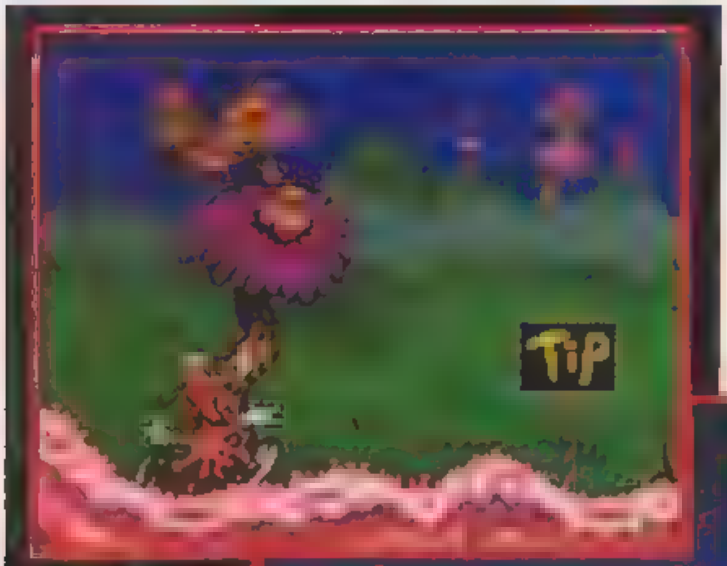
TREATS GALORE!



Sonic fans are in for a real treat this Christmas with **Sonic CD** coming for the Mega CD, **Sonic Spinball** for the Megadrive and **Sonic Chaos** for the Master System and Gamegear. There is also **Robotniks Mean Bean Machine.**

This game is based around a Japanese Columns type game called Puyo Puyo and it has Robotnik and some fiendish contraptions set to hammer Sonic. Well that's what HE thinks.

It's a puzzle game and not really an arcade players choice. The action is still fast but your brain has to work overtime to work out the problems. Expect to see this around Christmas time.

Sonic Spinball is shaping up very nicely and you are guaranteed some sizzling thrills from the latest Sonic arcade game.

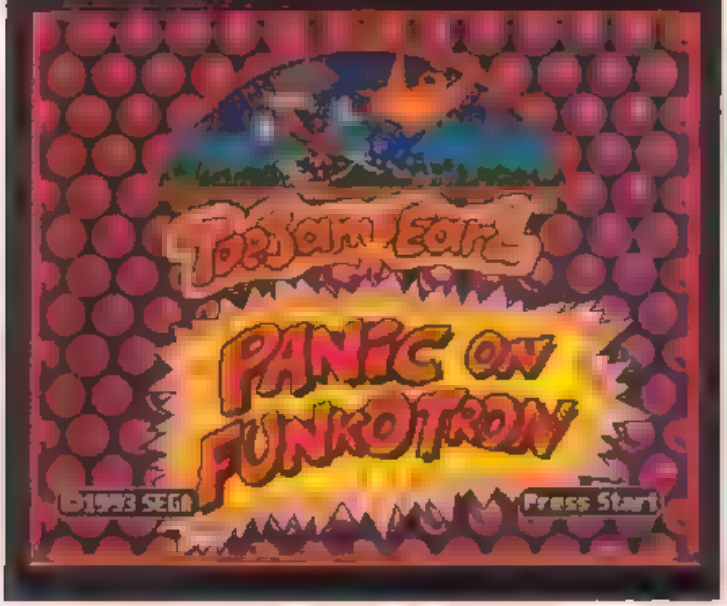
It will have enormous play areas populated by some very strange creatures comprisments of Robotnik. You can run and bounce around the play area in the hope of mastering all sorts of tricky pinball scenarios.

This is set to be the Christmas hit this year and should be on sale around November.

Another really brilliant Sega release due in early 1994 is **Toe Jam and Earl 2** for the Megadrive.

It comes from the same team that did the original Toe Jam and Earl. The graphics sound and gameplay are far better than the original and it is packed with lots of fun touches and funky moves.

Weighing in at a massive 16 megabytes this will be one of the hottest games of 1994.



EXCLUSIVE!

As exclusively reported in STC issue 1 Sega's Mega CD 2 and MegaDrive 2 are on sale NOW and can be yours for the grand sum of £249.99

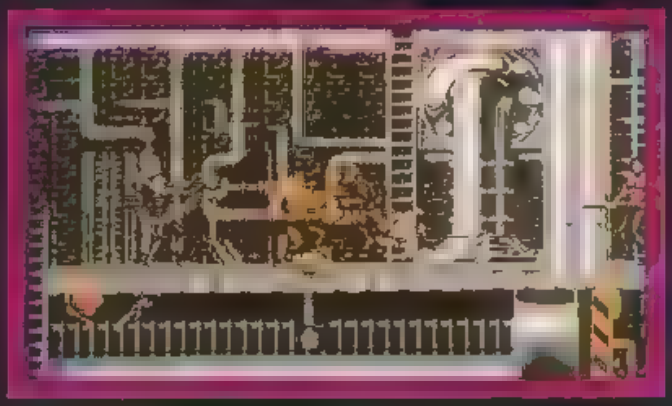
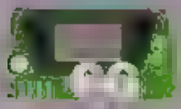
TERMINATOR Tips

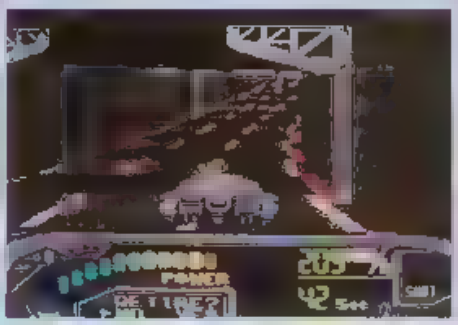
Surprisingly, this was much better than the Mega Drive version. So, no doubt, Annie will soon be saying to all Game Gear owners - 'I'll be back!'. Anyone having problems will be grateful to see a level select cheat:
Keep pressing the central pad until [illegible] button 2, and a level select will appear.



OUTRUN Tips



Those who dream of being Nigel Mansell and own a copy of Outrun can now get on that rostrum with their heads held high because I have a cheat which allows you to drive through other vehicles and obstacles as though there was nothing there. Makes life a bit too easy really, doesn't it?
Set the cursor to one player. Now hold down Left buttons one and two and then press Start.



TAZ-MANIA Tips

This 'devilish' game was a hit on the Mega Drive and is currently riding high in the 8-bit charts. Now everyone who owns this, smile immediately cause guess what? Yes, I have a simple but great cheat which gives you infinite lives.

When the continue screen appears after you have been defeated, press UP, A, B and C together then let go. Repeat this several times to increase your credits to a maximum of 9.

Tips

COOL SPOT

I know a lot of you cool Boomers are having trouble getting further into this brilliant game If you are, then help is at hand with th s cheat which gives you a level skip, infinite time and infinite health

First start the game and press pause Now press A, B, C, B, A, C, A, B, C, B, A and C on the joypad to activate the cheat

Tips

BLACK HOLE ASSAULT

Beat-em-up games have proved very popular over the years, and this one on the Mega-CD has excellent graphics and music However it falls down badly through poor gameplay I have some great he p for owners, p us details of how to access a hidden game:

To become invincible wait until the options screen appears and enter your name as MUTEKI then exit the screen Now, select operation BHA and aga n enter your name as MUTEKI. Start playing the game and you w be totally invincible

To access the hidden game enter your name as AZY and choose operation BHA. You will now enter a game called Black Bal Assaul

Harp-ing On

Dear STC,

I have an idea I would like to share with you. Why don't you put a contents page in your mag and number the pages? Speedlines, Graphics Zone and Control Zone could be put in the centre pages, and News Zone at the back of the mag. Please think about my idea, and could you also include Sonic's girlfriend, Amy Rose, in your comic strip?

Stephen Harper, Luton, Beds. MD owner. Sonic Water Fun Game Winner.

Anything else, Stephen? You've come up with some interesting suggestions, but we already have an editor (such as he is!) although you sound like a budding one.

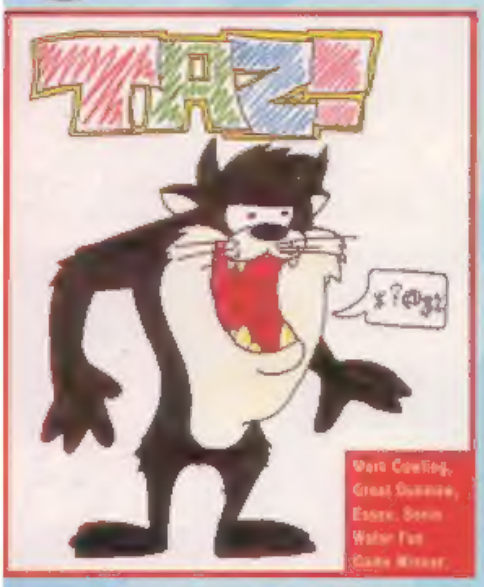
Jolly Good Fellow

Dear STC,

My brothers, Dave and Jonathan, and I, enjoy STC. The only trouble is, my mam will only buy one comic between the three of us - and now my two year old sister, Stephany, has started to grab it when my mam brings it in on a Saturday. Really, it's only David and I who understand it properly and we sneak out to read it in our beds. My mam can't believe how much we love STC but says she would rather read the Beano. We still can't get our mam off our computer, even though she can't get past the Marble Zone!

Shaun Stringfellow, Stockton-on-Tees, Cleveland. Sonic Water Fun Game Winner.

So, Shaun, your mam prefers old-fashioned comics! Sounds like a strange mam to me, but at least she's cool enough to play Sega games.



Mark Cowling, Great Dunmow, Essex. Sonic Water Fun Game Winner.

Game Gear

Dear STC,

One day me and my mum were shopping in Perth, when I saw the car adaptor for the Game Gear. I asked mum if I could have it and she said, "What! At £12.99...you must be joking!" When I got home I picked up my copy of STC and saw a column advertising Game Gear car adaptors for only £6.99! That was almost half the price!

Scott Macpherson, Auchterarder, Perthshire. GG owner. Sonic Water Fun Game Winner.

Well, it just goes to show there's no fooling a canny "Scott!"

Thomas Richards, Greenmount, Bury. Sonic Water Fun Game Winner.

Handy Andy

Dear STC,

I really love your comic and have stuck the badge and stickers onto a folder, which I use as a Chest Book. STC rules forever.

Andrew Dawson, Barwell, Leicestershire. MD owner. Sonic Water Fun Game Winner.

Great idea, Andrew. Have any other Boomers made imaginative use of their free gifts?
